

- Proven Quality & Performance from the Makers of The Original Award Winning "Fire-n-Ice" FireWire Drives
- Includes both FireWire IEEE 1394 & USB2 Ports for Flexibility
- Huge Storage Capacities (40/60/80/120/160/200/250/300GB)
- Hot-Swappable And Plug & Play Ready
- 3 Year Limited Warranty

Want the ultimate in convenience and file transfer speed? It's time to step up to Fire-n-Ice To-Go dual port external FireWire drives from Think Storage. Whether you are looking for a bus powered solution for multimedia projects, image editing, backup, or just need increased capacity, Fire-n-Ice drives are a perfect solution. Our drives are small enough to fit in a shirt pocket, yet can store up to 80GB. These drives feature the fastest FireWire bridge available "Oxford 911" and use internal drives that are built for speed and built to last. Because Fire-n-Ice To-Go drives don't require external power, they can be used on planes, boats, trains or wherever your travels may take you.
